

About Sterling Advisory

Sterling Advisory is an independent financial, strategic and business management consultancy firm with unparalleled advisory and execution capabilities across SMEs. We provide innovative strategic advisory services to corporate, public sector and third-sector clients, across a broad spectrum of thematic areas including grant management, business development, financial management, skills and enterprise development and due diligence, risk management and compliance.

Sterling Advisory combines first-class in-house expertise in agri-business, quality assurance, managing client-funded projects, financial management and strategic advisory services with a rich pool of leading industry experts in the corporate, public and third sector in Uganda and across the region. We have a team of over 30 highly-skilled and swiftly available national, regional and international consultants with sound experience in quality assurance, grant management, business development, business planning and set-up, risk management and compliance, monitoring and evaluation and intimate knowledge of the skills and enterprise sector.

“
